

REMARKS

Please consider the above amendments and the following remarks prior to examination of this application on the merits. Claim 2 has been amended to improve readability of the claim. Claims 3-5 have been amended to remove multiple dependencies. Subject matters originally covered by the multiply dependent claims that have been removed in the amended claims are now moved to newly added claims 6-16. These amendments are in no way related to the patentability of the claims. Further, these amendments are fully supported by the originally filed specification, and no new matter was added. Full examination and favorable action are requested.
